Hello Angela,

I hope your National Night Out plans are going well! Ring is proud to sponsor National Night Out this year and to work directly with you to make it a successful event. Below you'll find some tips on how to best utilize Ring for your National Night Out and ways to build excitement.

- Invite your guests to participate in our "[Why I Love My Neighborhood](#)" Facebook contest where they'll have a chance to win a Ring Video Doorbell 2 and Ring Solar Security Sign! Entry is open now! NO PURCHASE NECESSARY. U.S. residents only. 18+. See [Official Rules](#).
- Share crime and safety posts from our [Ring + NNO 2018](#) event page on your Facebook page to build awareness of your event and our partnership.
- Download the new neighborhood watch app, [Neighbors by Ring](#), and share it with your neighbors and guests. Both you and the person you refer will receive a \$10 credit good for any product on [Ring.com](#)! Visit the [Ring support page](#) to learn more. Watch this [video](#) for step-by-step instructions on how to share.

I'll be reaching out to touch base with you as we get closer to your event but in the meantime, our team will be keeping track of the contest and monitor shares! If you have any questions please reach out.

Thanks,

Ms. Gaines, Thank you again for arranging our meeting and for gathering your colleagues to learn about Rings newest tool to reduce crime. It was a pleasure to meet you and we look forward to working with Chula Vista Police Department (CVPD).

As discussed, Ring will soon be launching the Ring Law Enforcement Portal (LE Portal), the access point to the Ring Neighborhoods platform. Key highlights of the LE Portal include:

1. One-click video requests from Ring Neighbors based on date, time and proximity to incident location.
2. Ability to view and comment on all uploaded (vetted) video and comments from Neighbors within your jurisdiction.
3. Ability to push crime and safety alerts / notifications to Ring Neighbors.

The LE Portal is a sophisticated cloud-based system provided free of charge to law enforcement. The formal onboarding process includes technical, administrative and practical instructions on how to best maximize its effectiveness as an investigative and notification tool. To insure proper use of the LE Platform, we require the following stakeholders to be present during the onboarding process:

**Technical Contact:** A master agency credential will be provided to the department. The CVPD technical administrator (Admin) will be responsible for providing and managing log-in credentials to individual users within the department.

**Social Media Contact:** Ring Neighborhoods is a social sharing site. While our motto of "low frequency, highly relevant content" is accurate, the effectiveness of this engagement will only be as powerful as our combined efforts make it. Ring Neighbors post video content based on suspicious and/or criminal activity inviting Neighbor response. CVPD use of the LE Portal to comment on Neighbor posts and to inform your community of crime alerts/activity is an essential element of our program.

**Public Information Contact:** Prior to activating LE Portal for your agency, Ring will notify our Neighbors that we are working with CVPD. We will work with CVPD to create a mutually acceptable message that is concise, accurate and reflective of the goals of the program. CVPD input and approval on that message is required.

**Detective / Investigative Contact:** Those charged with use of portal will be trained on how to engage in the Neighborhood conversation, how to post crime alerts and how to request video when investigation criminal activity.

**Legal Contact:** Discussion on video technology, evidence preservation, chain of custody, etc., as well as appropriate (approved) language for messaging Ring Neighbors of this engagement.

I have attached an MOU for your consideration. Please review and let me know of any questions or suggested changes. Once signed and returned, we can look to schedule an Chula Vista PD onboarding.

Thank you again for you time and consideration. I look forward to seeing you again soon and to working with CVPD to reduce crime in Chula Vista.

Regards, Ray

Officer Gaines,

I look forward to our meeting tomorrow. I hope you can do me one quick favor and download the Ring app prior to our meeting (and if others are joining, please have them do the same). This is a free IOS or Android download available from Apple App Store or Google Play. If you currently own a Ring device, you already have this.

The app is a big part of the Ring Platform and an important part of our discussion tomorrow on the Law Enforcement Portal.

Thank you. See you at 10:00am tomorrow (Thursday).

Hi Officer Gaines,

I am Barry and I work on the Neighborhoods Team here at Ring ([ring.com](https://ring.com)). My Colleague Ray will be meeting at law enforcement agencies in San Diego, California, May 3rd, to present our "Neighborhoods Portal" for Law Enforcement. The Neighborhoods Portal is a web-based portal that allows your agency to connect with community members, share relevant public safety notices, have conversations and quickly request and receive video valuable for proactive crime measures and investigations. You can view a camera map of all active Ring devices and even request video footage from owners of Ring devices if a crime is committed within your jurisdiction. Videos can also be shared amongst other agencies to support information sharing. There is no cost associated with the portal.

Ray will be available at 3:30 PM on May 3rd. Please let me know if you are available to meet at the Chula Vista Police Department.

I have attached a video of the Neighborhoods Portal for reference.

Thanks,  
Barry

Good morning Ring Team

I received your email from Angela Gaines who works with me in Community Relations at the Chula Vista Police Department. I know your company was an official sponsor for National Night Out and so when I was looking for partners for our fundraising event, I thought of your company.

Shop with a Cop is a San Diego county wide event sponsored by all San Diego police agencies. This is the 25<sup>th</sup> year anniversary for Shop with a Cop. Each year 330 children lucky children are chosen to participate[ate through San Diego PAL. The children are bused over to Sea World and treated to breakfast and a show. After they are driven in a cop car lights and sirens over to Target. Each child is given a \$150 to go shopping for whatever items they would like. We find that the kids really enjoy the special day and being partnered with a law enforcement officer.

Of course we have to do a lot fundraising in order to raise the \$80,000 to make the event a success. We are reaching out to local business to see if you would be interested in donating a raffle basket that can be used for our silent auction. I have attached our official ask letter with our 501 information. Please email me back if you are interested in participating.

Thank you for your consideration in this matter.

Hi Officer Gaines,

I wanted to set up the Chula Vista Police Department with a \$50 promo code. I'm sure we'll make a lot of people happy and safe by using your department's code **46chulavista**. Make sure you are also using your department's email address [@chulavistapd.org](mailto:@chulavistapd.org). Here's a brief overview of the initiative that you can forward to your department. I have summarized the important points and have details further down.

### Summary

- Everyone in your agency will get a discount for \$50 off per device!
- You must purchase the device from Ring using your specific work email address -- [@chulavistapd.org](mailto:@chulavistapd.org)
- The discount is for law enforcement only so please restrict further distribution of this promotional offer. The promotional offer is only available while supplies last.
- Here's your code! **46chulavista**

Use the link [ring.com](http://ring.com)

### Ring Loves Law Enforcement

Over the past year, we've been working closely with law enforcement departments and individuals like yourself. The combination of Ring + law enforcement has proven to reduce crime in neighborhoods, however, none of this would've been possible without people like you that truly believe in our product.

Now, we want to thank you by offering everyone in your station the opportunity to get Ring at a heavily discounted price. By using the promo code: **46chulavista** you and your law enforcement colleagues can get \$50 off Ring Video Doorbells and Security Cams.

Thanks,  
Barry

Hello Officer Gaines,

I'm Barry and I work on the Neighborhoods Team here at Ring, the Video Doorbell Company ([ring.com](http://ring.com)). I am the Outreach Coordinator for the Pacific region and I work closely with a lot of Law Enforcement in your area. I recently came across this News clip of an uptick in home break-ins in Chula Vista.

<http://fox5sandiego.com/2018/03/02/shoelaces-may-be-the-key-to-cracking-rash-of-chula-vista-break-ins/>

As an extension of Ring's Neighborhoods Initiative, I'm reaching out to share an offer to all public safety agencies that actively participate in either Crime Prevention or Community Policing.

Over the last year and a half, we've been partnering with law enforcement agencies and community crime prevention groups across the country and together we have had great success in reducing crime in neighborhoods. To advance our mission, we'd like to donate one of our Video Doorbells to your department to provide your team some firsthand experience with our tech hardware and our brand new Police/Neighborhoods Portal.

Here's a snapshot of our Neighborhoods Program-

### Ring and Law Enforcement

- [Wilshire Park Pilot Program](#)

### What we can do for you!

- \$50 discount on all Ring devices for the Department.
- \$25 discount on all Ring devices for your community.
- Free Ring Video Doorbell for personal or Department use.

### Neighborhoods Feature in the free Ring app

Have your Community and Neighbors join the digital Neighborhood Watch at your fingertips. Ring will keep you up-to-date with crime and safety alerts from your neighbors. You do not need a Ring device in order to download the app and join the Neighborhoods feature to have alerts sent to your smartphone.

### Neighborhoods Portal For Law Enforcement

The Neighborhoods Portal is a web-based portal that allows your agency to connect with community members, share relevant public safety notices, have conversations and quickly request and receive video valuable for proactive crime measures and investigations. Videos can also be shared among agencies to support information sharing. It's absolutely free to your agency as well as all members of your community.

I appreciate the time and consideration and look forward to the opportunity to assist you and the department in your fight against residential crime!

Kind regards,  
Barry

Good Morning,

Please see attached to reference the Monday e-mail.

At this time, it would appear that [REDACTED] made an attempt to cancel when he answered the phone, but due to a technical glitch, his verbal password came up wrong in the Monitoring System's database, and they marked this invalid. He then attempted disarming in the app, but the dispatch request had already been made.

I've ensured these issues have been corrected now, and there should be no further issues of this ilk from his system.

Let me know if you have any questions or concerns.

Hello,

Yes, I will have to scan it and email it later today I am not sure the letter itself states at all what they are looking for, as it only has the appeal contact information on it. The instructions sent to me from the city to get the fee waived were in an email, here is an exact copy of the rel event text:

"a letter from your alarm company on their letterhead stating that the alarm was cancelled prior to Officers being dispatched would suffice."

Let me know if you still need me to scan and send the fine, or if the above text is good enough, thanks.
